Full School

All features of the Athletics Only Subscription PLUS:

- ✓ Get everyone on one calendar with Full School calendars
 - Ability to have front office and club calendars in addition to the athletic calendars
 - Ability to assign managers to calendars to allow different staff members to update their own calendars
 - All calendars are available for the school's community to subscribe to and receive ONLY the calendar events they want in their daily event summary through email.
 - Ability to embed calendars for seamless integration within other corporation sites
- ✓ Eventlink Facility Management
 - Calendar managers have the ability to request facility usage throughout the district. The requests are approved or declined by the person in charge of the specific facility.
 - Facility calendars are available for the entire staff to view, giving them the ability to see when a facility or conference room is available at any time, including through the Eventlink App.
 - Receive a facility conflict notification to prevent double bookings. A pop up notification will be received there's still an attempt to double book a facility. Everyone who needs to know about the conflict is automatically notified.
- ✓ Eventlink Messaging
 - Ability to send corporation-wide messages to all subscribers to your school or district
 - Ability to allow coaches and club sponsors to message their calendar subscribers for cancelations or changes
- ✓ Electronic Hall Pass
 - Detailed tracking and reporting of issued passes, reasons, and issuers
- ✓ Eventlink Registrations
 - Custom form, registration, and electronic payment collection for various events/activities. Examples:
 - Summer Sport Camps
 - Permission Slips
 - School Club sign ups
- ✓ Eventlink Athletes
 - Track eligibility and manage rosters effortlessly
- ✓ Eventlink Sites
 - Personalized public-facing athletic website
 - Post News, Updates, Announcements, and Photo Galleries
 - Real-time schedule updates
 - Keep 100% of advertisement revenue you sell
- ✓ Eventlink Studio
 - Customizable templates to share with your fans
 - Select a previous event already created to generate opponents, scores, and game times
 - Easily download it or share it directly to your social media
 - No design experience necessary
- ✓ Eventlink Fundraising
 - Effortlessly create, customize, and manage fundraising campaigns while providing a secure and user-friendly platform for donors
